## Description

Ramky Pearl is located bang in the bulls-eye of the city's booming growth at Kukatpally - a location that's well within the central business & residential districts of Hyderabad. Perhaps, it's the epicenter, if the frenzied rush of developments at Kukatpally and its surroundings are anything to go by. For those who've been dreaming of owning a luxury villa that's truly in the heart of the city, this is it. Welcome to Ramky Group, a pioneer in waste management and infrastructure development. Established in 1994 at Hyderabad, the Ramky Group has grown by leaps and bounds and today is a specialist multidisciplinary organization focused on construction, Infrastructure Development, Waste Management, Build-Operate-Transfer (BOO/BOOT/BOT) projects, Real Estate, Finance and Investment. Infrastructure Consultancy, Environmental and Laboratory services are the other areas in which Ramky has made a mark for itself. Ramky's Waste Management Division has the distinction of establishing the country's first integrated Common Hazardous Waste management and BioMedical Waste Management Projects at Hyderabad, India.
